*Optimist Club of New Windsor / Cornwall*

**Happy New Year! Come to the meeting on Tuesday, January 19 at 7pm for our Bi-annual Student of the Month Awards at ABC Pizza Restaurant**

We had a busy December with our **Head Start Holiday Party** at St. Mary's and we are looking forward to inducting 5 more students into the **Heritage JHS Student of the Month club** and enjoying the local charms of **New Windsor** and dining at **ABC PIZZA** on Tuesday, **January 19** at 7pm with some good friends (you!). We are only a few days into our **January Blizzard of Fun** and already we have two winners! **Conna Stokkaahly**, **Carroll #442** (a \$50 winner from **SUOC**) and **John Shepard #281** (a \$25 winner from **NWOC**). We look forward to posting more checks to winners as this fundraiser helps defray costs for our members and events. Just a reminder that we voted for a moratorium on spending until we have a operational budget that reflects club income and expenses already accrued through operations! In order to do more good for kids we need to bring in more funds. The upcoming **BonTon Community day** is an opportunity to do just that. Be a part of something good for the kids! We have wonderful scrapbooks that document the things we have been doing in the community but the person at the table in the **BonTon** is our best voice and evidence of what we do. Our members, friends, and kids along with the **G2L** group have done a great job but there is always room for improvement. Please contact **Fran** or myself if you can donate a few hours to **fundraise**.

February 1st marks the closing date for our acceptance of any oratorical or essay contestants so please spread the word and get the entry submissions in. In no time we will be looking to organize our **Easter Egg Hunt** in **Downing Park** and that too will need volunteers. It will probably be **Sat. March 27** as **Easter** is **April 4th** this year. In **April** we will do our annual **Park clean-up** at **Plum Point** during earth week and the **Hudson River Clean-up** time. There is plenty to do and many hands make light work so look for an opportunity to lend a hand to a project or fundraiser. We have a district **Quarterly Video teleconference** coming upon **January 22 and 30** for the District. I will email info on this or people can come to my home to what it on my computer/TV. Lots of stuff to catch up on so don't miss our next meeting!
