

23rd December 2008

As 2008 draws to a close we have been busy planning the 2009 Lockport Monday Night Cruise Schedule, see attached.

Note that a couple of the activity dates are tentative and the schedule will be revised as more specific details become known.

I would like to start with drawing your attention to our Annual Sock Hop Fundraiser at the South Lockport Fire Hall on the 7th March. We rely upon the funds raised at this event and from our sponsors to raise the approx. \$7000 that it costs to fulfill one of our missions which is to provide fun, family and free entertainment at our Cruises. So make a note in your diaries. Any funds we raise in excess of the Cruise operating costs, plus proceeds from our weekly 50/50 split are donated to Charity.

We are seeking Sponsor's for our Cruises which will run from the 11th May 2009, each Monday until Labor Day the 7th September, a total of 18 weeks. If you are able to provide sponsorship, or know of anyone or any business that is willing to sponsor us, please let me know.

The Cruise is organized by the Lockport Monday Night Cruise Optimist Club, with the support of the City of Lockport, the Niagara County Auxiliary Police and a number of sponsors and other volunteers. The club currently has 8 members. We are looking for more enthusiasts to join our club and share in the organization. If you are interested, please let me know.

A special event is coming to Lockport in August, The International Thunderbird Club is organizing the "Sweet 16" 16th Annual International Convention August 24-30, 2009. Based at the Holiday Inn, the Thunderbird group will holding a number of special events in our area for their members. We have designated Monday August 24th as Thunderbird Night and invited the conventioners to join us. We can start the week with a great welcome to our visitors.

For our local business owners who read the Crews News - The T Bird Club is planning a conference brochure and will be seeking advertisers who wish to inform the visitors of their business activities or services. I can provide contact information for those interested.

More information on our Cruise and our club can be found at www.lockportcruise.com

Merry Christmas and Happy New Year
